## BladeKey

Hear the Story of an Arizona Invention

After being irritated by his keys on a traditional key ring, Arizona native James Busch began using a 3D printer to invent a better solution. The result was BladeKey. Join us to hear him tell the story of how BladeKey went from idea to raising over \$53,000 on the crowd funding website Kickstarter.

**Date:** February 11, 2014

**Time:** 12:00pm – 1:00pm
